Overview

Wallace Cameron Pilferproof Fabric Plasters Refill (Box of 150 Plasters)

Our pilferproof fabric plasters allow one handed easy application due to their unique design.

They also prevent employees from 'helping themselves' which not only increases cost to the business but also increases risk to possible casualties.

One end of the plasters is clipped into your first aid dispenser preventing the plaster from being removed intact.

- For Premier Pilferproof Kits
- Quantity 150
