Overview

Shield (Large) Powder-Free Blue Disposable Vinyl Gloves (Pack of 100)

Made of high quality blue PVC plastisol, GD14 gloves are designed to offer sensitivity and improved feel.

They offer a dependable and economical latex free alternative.

- Vinyl gloves for general purpose use
- Powder-free to reduce allergies and dust contamination
- Smooth for improved comfort
- Non-latex: vinyl material reduces allergic reactions
- Food safe: tested to EC1935/2004 standards
- Tested to EU standards for protective gloves (EN420)
- Pack of 100 gloves
- Colour: Blue
