Overview

3M 9322 Plus Flat Folded Valved Respirator FFP2 (White) Single

Utilising an ingenious 3-panel design to accommodate greater facial movement, this flat fold respirator offers effective protection against moderate levels of dust and mist.

An embossed top panel and sculpted nose panel allow improved compatibility with eye wear and the Cool Flow Valve reduces heat build up even in hot and humid conditions.

This face mask has a protection level of FFP2.

- FFP2 valved flat folded respirator
- Effective protection against moderate levels of breathable dust and mist
- 3-panel design allows for greater facial movement
- Embossed top panel to reduce fogging of eyewear
- Cool Flow Valve reduces heat build up
- Protection level: FFP2
- Conforms to EN149:2001
