Overview

Announce Wrist Bands 19mm Silver

These wristbands are made of high-density polyethylene fibres, which are spun and bonded with heat and pressure.

They feel like paper but are much stronger and durable.

Economical, comfortable, water-resistant, and tear-resistant, they are perfect for events and exhibitions or any function that has security and identification in mind.

- Strong adhesive closure and tear resistant
- Designed to fit various wrist sizes
- Quick and Easy to apply and comfortable to wear
- Wristbands with serial numbers
