Overview

VFM Elevator Guard Barrier (Yellow) Pack of 2

VFM Yellow Elevator Guard Barrier (Pack of 2) 309856.

This VFM guard barrier is very much worthy of further investigation.

The bright yellow colour is eye-catching and conveys caution.

The 2 panels together are suitable for openings of 1300mm to 2200mm and modular units can be linked together to create guard barriers of larger sizes.

The units are made from polyethylene which is highly durable yet lightweight and non-conductive telescopic poles are stored inside the barriers..

.

Modular units can be linked together to form units of any size.

Suitable for openings 1300mm to 2200mm.

2 panels included, each H1100 x W660 x D110mm.

Made from lightweight polyethylene plastic yet durable and strong.

Inside the barriers are non-conductive, telescopic poles.

Yellow colour for high visibility.
