Overview

VFM Line Marking Tape Applicator (Black)

VFM Black Line Marking Tape Applicator (pack of 1) 310241.

Make it easier on yourself when you're applying your PVC marking tape wherever you are by using this tape applicator from VFM.

The applicator will ensure that marking both straight and curved lines are easier, thanks to the position locking feature which will ensure the applicator doesn't stray from your required line.

Tape is easily inserted into the core and takes only seconds to remove when finished..

.

Easy to use applicator to apply PVC lane marking tape.

Ideal for ensuring straight lines.

Can be locked into one position using the accompanying lock nuts.

Tape core is easy to insert and remove.

Marking surface must be free from dust, dirt and grease.
