Overview

VFM (Medium) Heavy Duty Removable Steel Bollard (Black/White)

VFM Black/White Heavy Duty Removable Steel Bollard Medium (Pack of 1) 319859.

Designed to fit directly into an embedded socket in concrete, this removable bollard is ideal for use in town centres, car parks and other areas where cars are restricted.

The bollard fits easily into its socket and can be securely padlocked in place, while it comes complete with handles which make removing it from the socket quick and easy.

The bollard is ideal for flexible use as it is easy to adjust..

.

Fits into a socket embedded in concrete.

Locked into position by a socket flap and padlock (sold separately).

Socket can be padlocked shut when not in use.

Ideal for garages, car parks, supermarkets and town centres.

Height above ground: 965mm/Below ground: 250mm.

Diameter: 80mm.

Colour: Black and White.
