Overview

VFM Retractable Barrier Post (Red/White)

VFM Red/White Retractable Barrier Post (Pack of 1) 355627 Allowing you to demarcate areas with ease, VFM Retractable Barrier Posts are great for a number of uses.

Featuring a retractable belt that extends up to 2.9m, you don't have to purchase and store separate chains or ropes, making it easier.

The base of this post can be weighted with sand or gravel, making it more resilient and harder to knock down.

The base also features a reflector that allows for greater visibility, especially after sun down..

Aluminium post with a retractable belt.

Includes 4 anchor points for fixing.

Base reflector improves visibility.

Can be weighted with sand or gravel.

Base diameter: 330mm.

Post is 970mm high and 60mm in diameter.
