Overview

VFM Lightweight Space Saving Barrier (Yellow)

VFM Yellow Lightweight Space Saving Barrier 356971.

For use as a crowd controller, warning in case of danger, for cordoning off a secure area or any other purpose, this space saving barrier is the perfect addition to your workplace, factory or to keep in your work van.

The barrier comes in 3 frames and will fold together to store easily, as well as separating where necessary.

4 clips keep the frames together and can be adjusted according to the situation.

You can also hang warning signs or information signs from the internal bars..

.

Set of 3 frames and 4 clips.

Lightweight and easy to store.

Can be configured to make the shape and size required.

Signs can be hung from internal bars (sold separately).

Overall Dimensions: 905x760mm (HxW).

Weight: 4kg.

Colour: Yellow.
