Overview

VFM Speed Ramp Tapered End Section (Yellow)

VFM Yellow Speed Ramp Tapered End Section (Pack of 1) 362103 Preventing people from racing around, this speed ramp is perfect for stopping irresponsible driving.

With a bright and clear design, you can make sure that all drivers manage to see the ramp and reduce their speed accordingly.

This product can be easily bolted to the ground, making sure that it will remain in place and will not deteriorate or move over time.

The PVC construction is very hard-wearing and helps the product to retain its level of quality.

Tapered end section for use with other VFM modules (available separately)..

Ramp to prevent speeding.

Forces drivers to reduce their speed.

Includes fixing bolts for security.

PVC construction is long-lasting.
