Overview

VFM (900mm x 10m) Electrical Safety Mat with 650 Volt Rating (Black)

VFM Electrical Safety Mat (Pack of 1) 357753.

Be safe and stay safe using this electrical safety mat for all workspaces around electrical equipment.

This mat is designed for use next to and near to high voltage equipment, or for use in front of open switchboards.

The mat has been tested to 15000 volts for 650 volt rated working, and not only protects you from electrical danger but also provides slip resistance to ensure that your safety is secured at all times..

.

Designed for use next to and near to high voltage equipment.

Ideal for use in front of open switchboards.

Fine fluted surface gives slip resistance.

9mm thickness, tested to 15000 volts for 650 volt rated working.

Dimensions: 900mmx10m (WxL).
