Overview

The Photo Album Company Signature Frameless Frame Styrene A3 PHT00079

The Announce A3 Styrene Frameless Frame is break resistant with a styrene front.

As an alternative to traditional picture frames, clip frames are suitable even for posters and certificates.

The simple construction provides a sheet of styrene at the front and hardboard at the back.

The clips supplied with the frame help prevent scratching of the surface.

- Break resistant styrene front
- Perfect for a wide range of documents
- Removable clips supplied with the frame
- Metal clips hold contents securely
