Overview

Dymo M10 Digital Postal Mailing Scale ES92901

The DYMO M10 Mailing Scale makes it possible to easily weigh envelopes to large packages and offers the solution for correct postage.

No more endless waiting at the post office lines.

The hold and tare functions, and additional features, makes accurateness and professionalism go hand in hand.

- Digital scale
- For weighing envelopes and small packages up to 10 kg
- Displays weight in 2g increments
- Platform size: 20x20 cm
- LCD screen
- Plastic casing
- Tare function provides the ability to subtract container weight if weighing objects in a container
- Hold feature locks in the weight of oversized envelopes and packages for easy viewing
- Displays weight in lbs/oz and kg/g (0 lb 00.0 oz / 0 kg 000 g)
- Automatic shut-off preserves batteries when scale is not in use
- Powered by USB cable or 3xAAA batteries (not included)
