Overview

Helix Standard Key Safe (Grey) with 70 Key Capacity (Single)

This Helix Standard Key Safe cabinet is the ideal choice for keeping shared keys securely locked away in your business or organisation.

Made from steel with a grey powder coated finish, it keeps your keys secure behind a cylinder lock supplied with two keys.

Inside, there are metal key hanger strips that let you store up to 70 keys.

It's also supplied with index sheets, a key labelling kit and key fobs to help you organise your keys more efficiently.

- Wall-mountable safe for storing keys securely
- Strong steel with grey powder coated finish
- Secure cylinder door lock supplied with two keys
- Spare keys available from Helix
- Includes index sheets, key labelling kit and 10 key fobs
- Wall fixing kit included
- Capacity: 70 keys
