Overview

FD Sgl Section Ladder Alu 2410/014 323

Single Section Aluminium Ladder 4090mm 14 Rung (Pack of 1) 323144 Manufactured to European standards for industrial use (EN131), this lightweight, 14 rung aluminium ladder has extra width for an easier climb and square rungs with a flat top for increased grip.

For increased safety, it is supplied with rubber feet to hold it tightly to the floor and prevent slipping.

Extra width (409mm) makes it easier to climb Rubber feet at both ends give greater stability Square rungs with flat tops give added grip The back section extends giving safer operator descent Manufactured to European Standard EN131 for industrial use Height: 4m
