Overview

VFM (1000mm) Tandem Pallet Truck 2-Tonne Capacity (Red)

VFM Red 2 Tonne Tandem Pallet Truck (pack of 1) 315082.

Designed to efficiently carry your pallets and help you to transport those large and difficult good without hassle or risk of damage, this pallet truck from VFM comes with a whole range of features designed especially to make your life easier.

Including tandem rollers which pivot independently, they will also enable a greater load stability and easier handling in particular over rough ground and ramps as well as protect the floor from damage.

The truck will take a maximum load of 2 tonnes..

.

With 200mm steering wheels and 80mm tandem load rollers.

Tandem rollers pivot independently and ensure greater load stability.

Fork height lowered 85mm / raised 200mm.

Width over forks 685mm / Fork length 1000mm.

Polyurethane rollers protect flooring and reduce noise.
