Overview

VFM Plywood Base Truck (Red)

VFM Truck Plywood Base Red (Pack of 1) 329073.

Moulded in food grade, virgin medium density polyethylene with a strong plywood base, these brightly coloured trucks are a useful addition to the workplace.

Fitted with two 75mm and two 100mm fixed nylon castors in a 'rocking' diamond pattern, the trucks have a generous 300 litre capacity and, because they have tapered sides, can be nested with each other for storage and transport.
