Overview

VFM Tapered Side Recycled Container Truck (Black)

VFM Recycled Container Truck Tapered Side (Pack of 1) 329949.

Manufactured from recycled polyethylene, this tough container comes with a plywood base for added strength.

Its tapered sides mean it can be stacked with other trucks and stored away when not in use.

The container runs on two fixed, two swivel 75mm nylon castors, fitted in a diamond pattern, and can boast an impressive 591 litre capacity.

And with its one piece construction for easy cleaning and ability to withstand temperatures up to 60°C, this container will be of use in any number of environments.
