#### 3M H510A Peltor Optime I Headband Ear Muff Defenders

3M Peltor Optime I Ear Muffs headband version offers versatile protection and is very lightweight providing high wearer comfort.

It combines a low profile with generous inner depth which makes it easy to combine with other equipment, allowing the ear to rest comfortably.

Working Environment: General Industrial Use; Continuous/Long exposure to noise; Dirty/dusty environment; Intermittent/Short exposure to noise; Presence/Handling of contaminants.

- Optime I headband ear defenders
- For moderate to high noise attenuation
- Extremely low profile and light, making it easy to team with other equipment
- Generous inside depth to accommodate the ears for comfort
- Soft and wide sealing rings filled with a unique combination of foam and liquid, providing optimum sealing and low pressure
- High attenuation despite lightness and low profile
- Unique band design, stainless steel wire for constant pressure over long periods of use
- SNR 26dB
