Overview

3M E-A-R One Touch Ear Plug Dispenser

This innovative 3M E-A-R dispenser features a simple twist motion, which releases one ear plug at a time to reduce waste.

The dispenser provides easy access for employees, visitors and customers in warehouses, factories, building sites and other industrial areas where ear protection is required.

The dispenser can also be fixed to a wall and holds refill bottles with up to 500 pairs of E-A-R Classic and E-A-R Soft yellow neons (available separately).

This dispenser conforms to EN352-2.
