Overview

3M SF200 SecureFit Safety Spectacles (Clear) Single

These 3M SecureFit Safety Spectacles feature rimless lenses and fixed length temple arms with 3M Pressure Diffusion Temple Technology for reduced pressure over the ear, for enhanced comfort in use.

The clear, polycarbonate lenses have anti-scratch and anti-fog coatings for safe, long lasting use.

The lightweight spectacles conform to EN166 and EN170 for UV protection.

- Safety spectacle with rimless lenses for a wider, clearer field of vision
- Fixed length temple arms with 3M Pressure Diffusion Temple Technology for reduced pressure over the ear
- Lightweight (18g) for comfort
- Durable, clear polycarbonate lenses
- Anti-scratch and anti-fog coatings
- Conform to EN166 and EN170 for UV protection
