Overview

3M SecureFit SF201AS Protective Eyewear Clear (Single)

These 3M SecureFit Protective Eyewear feature rimless lenses and fixed length temple arms with 3M Pressure Diffusion Temple Technology for reduced pressure over the ear, for enhanced comfort in use.

The clear, polycarbonate lenses have an anti-scratch coating for safe, long lasting use.

The lightweight spectacles conform to EN166 and EN170 for UV protection.

- Safety spectacle with rimless lenses for a wider, clearer field of vision
- Fixed length temple arms with 3M Pressure Diffusion Temple Technology for reduced pressure over the ear
- Durable, clear polycarbonate lenses
- Anti-scratch coating
- Conform to EN166 and EN170 for UV protection
