Overview

Handsafe Powdered Clear Vinyl Gloves Large (Pack of 100) GN52

Handsafe Powdered Clear Vinyl Gloves Large (Pack of 100) GN52 Made from vinyl, these gloves are ideal for users allergic to latex, or where latex contamination is an issue.

They are powdered for ease of application and come in an economical pack of 100.

A host of tests including visual inspection and water pressurisation ensure conformity with European medical hygiene and protection standards.

These gloves provide safe protection for practitioners in medicine, electronics or beauty.

Vinyl gloves for medical, electronics or beauty use Lightly powdered: easier to put on, reduces perspiration
Smooth for improved comfort Non-latex: vinyl material reduces allergic reactions CE Category III-rated for chemical and microbiological protection Thoroughly tested to EU standards (EN455, EN420 and EN374)
Colour: Clear Size: Large
