Pack Quantity 10  
Price : £153.94

### Overview

---

Handsafe Sens Nitrile Gloves L Pk20

Made of a soft but tough stretchy Nitrile material, GN92 was developed to give increased sensitivity.

Whilst designed for precision, GN92 is a very strong and a high quality flexible glove.

(Formerly known as GN91)

- Manufactured from specially formulated nitrile butadiene polymer
- Latex free reducing the risk of hypersensitivity and allergic reactions
- Low in residual chemicals to reduce the risk of contact dermatitis associated with these chemicals
- Flexible material for improved feel and fit reducing fatigue during extended wear
- Tear resistant providing greater durability compared to latex or vinyl
- Beaded cuff for added strength and easier donning
- Powder free to reduce potential dust contamination
- Textured to improve grip
