Overview

3M Respirator Valved FFP2 Classification White with Blue Straps (Pack of 10)

Reliable, effective protection against fine dust particles.

Durable collapse-resistant inner shell.

Excellent fit over a wide range of face sizes provided by convex shape, nose clip and twin strap design.

3M Cool Flow offers the additional comfort of reduced heat build-up through easy exhalation, to improve comfort in hot and humid conditions (valved product only).

CE marked.

White with Blue coded strap.

Valved.
