Overview

3M 9322 Plus Flat Folded Valved Respirator FFP3 (White) Single

Utilising an ingenious 3-panel design to accommodate greater facial movement, this flat fold respirator offers effective protection against higher levels of dust, mists, and metal fumes.

An embossed top panel and sculpted nose panel allow improved compatibility with eye wear and the Cool Flow Valve reduces heat build up even in hot and humid conditions.

This face mask has a protection level of FFP3.

- FFP3 valved flat folded respirator
- Effective protection against high levels of breathable dust, mists and metal fumes
- 3-panel design allows for greater facial movement
- Embossed top panel to reduce fogging of eyewear
- Cool Flow Valve reduces heat build up
- Protection level: FFP3
- Conforms to EN149:2001
