Canon CLI-581XL (8.3ml) High Yield Photo Blue Ink Cartridge CO08705

This 8.3ml high yield photo blue ink is used for printing high quality documents and photos.

It has a larger tank capacity meaning better value and twice the amount of printing compared to the standard equivalent.

Combined with Canon's photo paper it protects your images from fading using the ChromaLife100 system.

- ChromaLife100 system ensuring long-lasting print quality
- Rich, vivid colour printing
- Used for both photos and documents
- Affordable price
