Overview

Epson Claria Premium 202XL (Yield: 550 Pages) Yellow Ink Cartridge (13.8ml)

Epson offers standard and extra large (XL) ink cartridges so that you can pick the best value option for your needs.

XL inks are great if you print in high volumes and can help to reduce your printing costs.

With both sizes, the colours are available individually so only the colour used needs to be replaced.

That means less wastage and great value.

Epson inks and papers have been developed to work hand-in-hand with Epson printers to produce the best results time and time again.

Enjoy hassle-free and reliable printing with Epson's genuine inks.

We invest in extensive research, high-tech manufacturing facilities and put our products through rigorous tests, to deliver the best quality product to you.
