Pack Quantity 1  
Price : £20.96

### Overview

---

HP 27 (Yield: 280 Pages) Black Ink Cartridge

The HP 27 Black Inkjet Print Cartridge combines patented ink formulations with advanced inkjet print cartridge technology to ensure crisp, laser-quality black text every time you print.

Ideal for families and personal users who are looking for an affordably priced printing solution to satisfy modest printing needs.

Ideal for educational projects, email and other communications, personal photos, cards and other creative projects, financial and household management.

Advanced HP ink and printhead design.

Tiny 17 pl drops of high optical density black ink.

Consistently crisp results with no bleed or feathering.

Good light fastness - resists fading longer.

10 ml volume ensures occasional users can achieve outstanding results from first page to last.

Typical yield of 220 pages (at 5% density).

Minimal risk of evaporation or nozzle clogging means maximum value for money.

Versatile printing - great results on any paper, even standard everyday paper.

Engineered to work together with HP papers and HP printers for optimum results.

Compatible with the full HP media range, from photo papers to transparency films.

- The HP No. 27 Black Inkjet Print Cartridge combines patented ink formulations with advanced inkjet print cartridge technology to ensure crisp, laser-quality black text every time you print
- HP 27 Black Inkjet Print Cartridge
- Delivers small drops of pigment-based ink to produce laser-quality black text
- Specifically created for occasional use - minimized risk of ink drying out
