Get the best results out of your HP printing system.

HP Smart technology and chemically-grown toner formulas in HP colour LaserJet print cartridges work with your printer to deliver accurate, consistent colour and reliable, cost-effective performance.

Accurate colour, precise image reproduction and crisp, sharp text every time you print.

Chemically-grown toner and HP Smart printing system technology deliver consistent results and reliable performance throughout the life of the cartridge.

HP Smart technology makes automatic adjustments to optimize print quality and enhance reliability.

Minimal user intervention saves time, improves productivity and lowers overall printing costs.

Enjoy low maintenance, trouble-free printing.

- Ideal for value-conscious customers printing high volumes of professional-quality documents
- Original HP LaserJet dual packs offer better value than individual cartridges
- Original HP LaserJet Toner Cartridges are designed together with HP printers to offer outstanding performance
