Kodak 30BXLI High Yield Black Inkjet Cartridge (Yield 670 Pages)

Saving money on ink never means compromising quality at Kodak.

Kodak's proprietary pigment-based ink technology provides the vibrancy of dye-based inks, but the durability of pigment-based inks so you get sharp text, brilliant colour documents and photos that dry instantly, are water resistant and last a lifetime.

All from the only company that offers you the lowest total ink replacement cost.
