Overview

OKI Nylon Ribbon Cassette (Black) for ML280/ML320/ML321/ML3320/ML3321 9-pin Eco Model Dot Matrix Printers

Designed for precise compatibility with Oki's products, and manufactured to the highest possible standards, only Oki consumables ensure maximum performance, longevity and ultimate cost-effectiveness.

Seamless design, using the highest quality materials and lubricants, minimizes print head wear.

This nylon ribbon is for your OKI printer and has the high matrix printing technology: offering a fluidity control for consistent quality and allows 3 million letters in the tool printing mode.

The high quality material choice minimizes the traces of the ribbon and the precise control of the ink tackiness enables the optimal printing of covers.

The ribbon protection was especially studied and realized in order to avoid paper jam.

- Easy change cartridge design
- 3 million character life
- Minimal wear due to high quality ribbon material
- Metered ink flow for consistent, high quality output
- Precisely controlled ink viscosity for optimum coverage
- Precisely tooled ribbon shield minimises paper jams
- Colour: Black
