Overview

OKI Nylon Ribbon (Black) for ML3410 9-pin Dot Matrix Printers

Designed for precise compatibility with Oki's products, and manufactured to the highest possible standards, only Oki consumables ensure maximum performance, longevity and ultimate cost-effectiveness.

Seamless design, using the highest quality materials and lubricants, minimizes print head wear.

This genuine nylon ribbon is made from high quality materials meaning less wear to your printheads.

The metered ink flow results in a high quality output and the ribbon shield helps to minimise paper jams.

It has got a long life capacity of up to 10 million characters when using the draft print setting.
