Designed for precise compatibility with Oki's products, and manufactured to the highest possible standards, only Oki consumables ensure maximum performance, longevity and ultimate cost-effectiveness.

Seamless design, using the highest quality materials and lubricants, minimizes print head wear.

This genuine nylon ribbon is made from high quality materials meaning less wear to your printheads.

The metered ink flow results in a high quality output and the ribbon shield helps to minimise paper jams.

It has got a capacity of up to 2 million characters when using the draft print setting.

- Easy change cartridge design
- 2 million character life
- Minimal wear due to high quality ribbon material
- Metered ink flow for consistent, high quality output
- Precisely controlled ink viscosity for optimum coverage
- Precisely tooled ribbon shield minimises paper jams
