Nobo Prestige Enamel (900x600mm) Magnetic Whiteboard with Aluminium Trim and Fixings Included

The Nobo Classic Enamel Whiteboard will get your ideas noticed! The contemporary slim and unobtrusive frame maximises space on the board with the spacious whiteboard pen tray sitting below the board so not encroaching on the board's surface.

The InvisiMount system makes installation easy and Fixings are neatly concealed behind the board.

The magnetic enamel whiteboard surface delivers a superior level of erasability for frequent use.
