Overview

VFM 2-Tier Works Trolley (Blue)

VFM Works 2-Tier Trolley Blue (Pack of 1) 329932.

A useful addition to any warehouse or factory, the VFM 2-Tier trolley is composed of mild steel finished with a vibrant blue epoxy.

The top tray is reversible and can function as either a shallow sided tray or as a smooth shelf.

The bottom shelf doubles the carrying capacity of the trolley, taking it to an impressive 150kg threshold, and the 4 castors (2 fixed, 2 swivel) attached to the base, coupled with the chrome pushing handle, make this trolley fully mobile..
