Overview

VFM 3-Tier Works Trolley (Blue)

VFM Works 3-Tier Trolley Blue (Pack of 1) 329944.

A useful addition to any warehouse or factory, the VFM 3-Tier trolley is composed of mild steel finished with a vibrant blue epoxy.

The top and middle trays are reversible and can function as either shallow sided trays or as smooth shelves.

The bottom shelf increases the carrying capacity of the trolley, taking it to an impressive 150kg threshold, and the 4 castors (2 fixed, 2 swivel) attached to the base, coupled with the chrome pushing handle, make this trolley fully mobile..

.
