Overview

VFM Plastic Dolly for 600x400mm Containers (Black)

VFM Black Plastic Dolly for 600x400mm Containers (Pack of 1) 382993.

Designed for 600x400mm containers, it features a robust injection-moulded plastic frame that supports heavy weights easily.

It sits on four rubber castors with swivel mountings for easier mobility around a warehouse environment, with brakes for stability when parked.

Because these dollies are available in a range of colours, you can use them to colour-code certain products or sections of your warehouse..
