Overview

VFM Order Picking Trolley (Red)

VFM Red Order Picking Trolley (Pack of 1) 383269.

Used in warehouses and supermarkets especially, picking trolleys are used to select and organise orders for customers, suppliers and clients.

Ideally use four separate containers (sold separately) and pick up to four orders at a time speeding up the picking process significantly.

Getting your job done quicker will be great for you and for your customers.

This trolley is easy to clean and easy to control for the efficient worker..

.

Mounted on 2 fixed and 2 swivel nylon castors.

Maximum weight capacity of 50kg.

For use in warehouses and supermarkets, amongst others.

Designed for easy loading, unloading, storage and transportation.
