Overview

Master Lock (33.61 litre) Extra Large Dual Digital Lock Safe Fire/Water Resistant Grey (Single)

This 2-hour Master Lock Fire-Resistant Safe combines our longest lasting fire protection with advanced security features.

This safe comes with a backlit dual electronic lock with key, 4 large 1-inch (2.5 cm) live-locking bolts and a pry-resistant hinge bar for additional security benefits.

This safe has a programmable electronic lock with key override and 60% bigger bolts than standard safes for increased security.

ETL verified for 60 minute fire protection up to 1000°F, the safe also features 24 hour water resistance in up to 8 inches of water.

The safe has an interior light and multi-position tray for versatile use, and can be bolted to the floor with the included hardware.

- Capacity: 33.61 litres
- Steel construction with fire and water protection
- 4 large, live locking bolts of 2,5cm diameter and pry resistant hinge bar for a higher level of resistance
- UL/ETL verified 120 minutes fire protection for documents, official papers, as well as digital items (CD, USB sticks) up to 1010°C
- ETL Verified water protection up to 20cm for 24 hours to protect documents and other valuable items from flood damage
- ETL Verified to withstand a 4,5-meter drop during a fire and stay closed
- Programmable Dual Digital Lock with backlit keypad for an easy use even in dark places: 2 resettable combination + 1 Master combination (non programmable) + key lock
- Interior light, multi-position tray and built-in storage on the door
- Bolt down hardware included
