Overview

Bisley (460mm) Shelving Extension Kit (Grey) BY15204

Bisley Grey 460mm Shelving Extension Kit 1018ESEXK46-AT4.

Combine this Bisley Grey Shelving Extension Kit (1018ESEXK46-AT4) with Bisley shelves, cross-bars and frames to create a shelving system to suit your needs.

The roll-formed steel uprights are designed to precise Bisley cabinet standards ensuring no sharp edges and safety for both users and stored items.

Along with the sturdy cross bracing, they're rated for safe support of up to 90kg per shelf.

This kit comes supplied as a self-assembly package for ease of transportation..

.
