Bisley Multi-Drawer Cabinet 39 inches 15-Drawer Non-Locking (Grey) BY31067

One of Bisley's first-ever products, the Multidrawers are as popular as ever, their neat design enhanced by a brilliant choice of colours - the brighter the better for the home environment for an injection of retro cool.

Different drawer heights are available with multi-compartment insert trays for small items making it a sound solution for office storage and beyond.

Where better to store stationery or the contents of the sewing kit? The 29 series offers greater storage capacity than the 12 series, and can again be placed either on top of or under a work surface, with different drawer heights to choose from.

A3 versions of the units are also available for yet more storage possibilities for home or office.

The 39 Series units make great storage units for office or home use.

Available with a choice of drawer heights and multi-compartment insert trays for small item storage, the 39 Series is a flexible small office solution.
