## Overview

Cello C55ANSMT (55 inch) LED Television Android Smart Freeview with Wi-Fi 1200:1 200cd/m2 3840x2160 (Black)

This curved screen 55? Ultra HD 4K Smart TV delivers a 'wrap round' more immersive viewing experience with greater depth and contrast.

As part of the Smart functionality you can download all of your favourite Android apps directly to the TV.Enjoy BBC iPlayer, ITV Hub, Kodi, 4 On Demand, Netflix, Sky Go, games and social media to name but a few.

Simply connect to your router using the built in Wi-Fi and experience a new world of TV entertainment.

The UHD 4K picture gives you four times the resolution of normal Full HD when input via your external 4K media device.

The result is exceptional clarity and deep detail not previously available.

Combining Freeview HD with sleek good looks and impressive functionality this TV also represents excellent value for money.

The three HDMI inputs enable the connection of external devices such as a games consoles and media players without the need to cable swap.
