

Energizer Ultimate Lithium LR06 (AA) Battery (Pack of 10 Batteries) ER34352

ER34352
634352

Battery Size : AA
Colour(s) : Silver
Distributor Numbers : Vow Code: ER34352
EC Commodity Code : 85065090
Fast Charge Capability : No
Form Factor : Battery
Industry Standard Product Classification : 51241
Model Name : LR06
Product Family : Ultimate
Product Type : Lithium-Ion Battery
Recharge Cycles : Up to None
Rechargeable : No

Pack Quantity 1
Price : £21.62

Overview

Energizer Ultimate Lithium LR06 (AA) Battery (Pack of 10 Batteries)

The world's longest lasting battery (AAA & AA in hi-tech devices).

Ultimate Lithium is a high performance battery ideal for power hungry devices such as digital cameras and MP3 players.

Lasts up to 8 times longer than standard alkaline batteries (in digital cameras).

Takes up to 680 photos (results vary by camera).

Performs in extreme temperatures -40°C to +60°C.

33% lighter than alkaline batteries.

Size: AA.

1.5 volts.

Packed 10.
