Overview

Fellowes Star+ 150 (A4) Manual Comb Binding Machine

For use in the home office environment, Star+ 150's full width handle punches up to 12 sheets of paper at a time with an overall binding capacity of 150 sheets using a maximum comb size of 18mm.

User friendly features allow straightforward, efficient document binding, including an adjustable edge guide for accurate paper alignment and a storage tray with a comb and document size guide which enables the quick selection of the correct size supplies.

The chip tray automatically bursts open when full to eliminate punching jams.
