Overview

Fellowes Quasar+ 500 Manual Comb Binding Machine

The Quasar+ 500 comb binder is engineered for frequent use in office environments.

It can punch up to 22 sheets of paper at a time with an overall binding capacity of 500 sheets using a maximum comb size of 50mm.

Quasar+ 500 is designed with user friendly features that allow straightforward, efficient document binding, including an adjustable edge guide for accurate paper alignment and a storage tray with a comb and document size guide which enables the quick selection of the correct size supplies.

The chip tray automatically bursts open when full to eliminate punching jams.

Quasar+ 500 includes a starter kit for binding 10 documents and comes with a 2 year warranty.
