Overview

GBC MultiBind 230 Binding Machine

The MultiBind 230 is a sturdy multi-functional binder with the flexibility to create comb or wire bound A4/A5 documents.

Its high 30 x 80gsm punch capacity makes it ideal for frequent use and it binds up to 125 sheets using 21 loop wire or 450 sheets using a 51mm comb.

It is also equipped with useful features such as auto centring and a paper separator.

- Ideal for everyday office use
- Featuring the Flowline Pro Binding system, which offers paper separating and auto centring as standard, making the binding process easy and ensuring perfect results every time
- Double handle for extra power when punching
- Comb selector to adjust settings to suit the comb size
- Document size: A4, A5
- Punch capacity: 30 sheets (80gsm paper)
- Binding capacity: 450 sheets (Comb Bind)
- 125 sheets (Wire Bind 21)
- WxDxH: 525x450x200mm
- Weight: 12.2kg
