Overview

Casio 8-Digit Pocket Calculator (Grey)

Casio 8-Digit Pocket Calculator (Pack of 1) SL-3SV-S-GH.

The Casio SL-3SV is a no-frills pocket calculator which simply does what you need it to do.

It is dual powered, with an auto power off feature to help save energy.

A large 8-digit display and non-stick plastic keys make this a calculator which is both easy to read and easy to use.

Other useful features include 3 key memory, a profit margin key, sign change and square root buttons, and a 3 digit comma marker..
