Overview

Casio SE-G1 Cash Register (Black)

The large LCD offers excellent visibility for shop staff and customers to easily confirm sales transactions.

SE-G1 registers are the first in their class to be equipped with a thermal printer that offers quiet operation and attractive output.

Drop-in paper loading is convenient and effortless.

Antimicrobial keyboard conforms with ISO 22196 standard.

A multipurpose tray helps keep the cash register area neat and tidy.

The TAX PGM key makes it easy to set the tax rate and current date and time using an interactive menu.

User-friendly design makes it possible to quickly prepare a register for use.

Support for up to 999 price lookups (PLUs) makes these registers suitable for use in shops carrying a wide variety of products.

Customize receipts by adding messages, store names, and phone numbers.

Eco-conscious product design, with compact size, and use of recycled material in the cash register body and packaging.

- Journal and receipt printing selection
- Battery backup for memory protection
- Three ways to tender payment (cash, charge, or check)
- Save printing paper by choosing just to display result of sales check on the LCD
