Overview

Hue Animation Studio Portable Classroom HD Camera (Green)

The HUE HD camera is a cost-effective alternative to a standard classroom document camera, and is perfect for stop-motion animation.

Easy to use and portable, this camera is popular with teachers throughout the world.

The built-in microphone allows you to record your presentation or a student speaking about a topic.

With its weighted base and flexible neck, the camera can also be used to magnify very small items such as insects, circuit boards and more to share them with the whole classroom.

- Record video and sound directly to the computer
- Capture images up to A5
- Full 360° rotation
- Manual focus
- Optional base
- Integrated USB microphone
- UVC compatible
- Compatible with Windows and Mac OS X
- Available in a choice of colours
